Decision

1. Both the above named parties are present. Heard both in detail.
2. It is revealed from their submissions that the Complainant submitted the application for information with the Public Information Officer (Opposite Party) on 28/03/06. In his application u/S 6 of the Right to Information Act, 2005, the Complainant indicated that he will receive the information in person. He came to the Public Information Officer on 25/04/06 to collect the information but as they were not ready the Public Information Officer told him to come on 27/04/06. Again on 27/04/06 the Complainant appeared before the Public Information Officer (Opposite Party) and received all the information needed by him.
3. Thus it is clear that the application for information is dated 28/03/06 and the information has been provided by the Public Information Officer (Opposite Party) to the Complainant 27/04/06 which is within the prescribed timeframe of 30 (thirty) days.
4. For the reasons aforesaid the case of the Complainant is dismissed as for no further issue.
