Decision

1. Complainant Shri Dillip Kumar Sahu is present. Shri Dwaipayana Pattanaik, Executive Engineer, PH Division No.1-cum PIO, Cuttack is present. The PIO filed his show cause which is taken to record. Heard and perused the case record.
2. Form A application dated 02.12.2006 was received by the PIO on 05.12.2006. The PIO submits that information was furnished to the Complainant by Registered Post vide letter No.9668 dated 21.12.2006. The Complainant submits that he has received this information but he feels that the information supplied is not correct.

- The PIO submitted that based on the records available he has provided the information.
3. The crux of the matter is that the Complainant although has got a water connection to his residence he is yet to get a consumer number for that connection. The PIO submits that valid water connection with a consumer number is possible only to approved holding and since Cuttack Municipal Corporation intimated that holding number cited by the Complainant is not valid one, therefore it is not possible to provide the consumer number. The Complainant submits that he has got the necessary orders from the Hon'ble High Court regarding the holding number.
 4. After hearing the submissions and going through the records the State Commission directs the Complainant to provide a copy of the order of the Hon'ble High Court to the PIO within seven days and the PIO will provide the consumer number within a month from today. The PIO is further directed to report compliance to the State Commission by 10.01.2008.
 5. Subject to compliance the case is closed and disposed of.
